On behalf of all the clients and staff here in in Pieta, I would like to thank you most sincerely for your kind donation of **€170.00** in the name of **Holy Family N.S.** and for your support of the Amber Flag campaign along with the awareness you raised for Pieta,

The funds are very much appreciated but also the awareness that you have created about Pieta is also amazing to us, the impact that your donation will have on those who access our services, also the awareness of our service that you are creating locally in your community is priceless to us. By simply using the name Pieta you may have alerted someone to our services at just the right time, your commendable support also allows us to continue to offer our services for free to those who need them. Those in suicidal crisis, those who self-harm and anyone who has been bereaved by suicide along with other lifesaving services we run throughout the year.

Thanks to you all and the kind support you received we are able to extend and build our service so that we can carry out our vision of creating "A World where Suicide, Self-Harm and Stigma have been replaced by Hope, Self-Care and Acceptance"

Pieta receives 85% of its income through fundraising and donations, so support from people like you is vital to us.

Once again many thanks for your support. It really keeps us focused to see the support all around us.

Yours sincerely, *Joe Burke*
