Dear parents and guardians

Thank you all for all your help and support since we have come back to school. Well done to all the children who have settled back to work so quickly.

There is a lot of information on the news about changes to isolation for children. We haven't had a case in the school yet and therefore children haven't had to isolate.

1. Under the new rules, if we are notified of a positive case in a class the class group won't have to isolate **unless they have symptoms of COVID 19.**
2. **If your child is a close contact at home they do have to isolate.**
3. It is essential that **anyone who has symptoms of COVID-19 self-isolates** at home immediately and contacts their GP to arrange a Covid-19 test.

The symptoms of COVID 19 are fever, cough, tiredness, loss of taste and smell, aches and pains, headache, sore throat, nasal congestion, red eyes, diarrhoea, or a skin rash.

Thank you for keeping your children at home when they are unwell.

"If in doubt- stay out!"

All **book money** should be paid by the end of the month.

Pupil Personal Accident Insurance can be purchased in the school office. Details are on our website.

Please label all your child's belongings – especially jumpers, coats and tracksuits.

We are delighted to have the **car park** beside our school. The lane between the car park and the school doesn't belong to the school. We have been allowed to use it, at present. We have noticed a lot of children **climbing on the fences** at the front of the school and on the lane. Please don't allow your child to do this as it isn't safe. It could also stop us having permission to use the lane.

Well done to all the staff and children who have worked so hard to achieve a Discover Primary Science Award and also an 8th Green Flag. A bigger challenge during COVID 19!

Best wishes to the children in 3rd Class who will make their First Communion on Saturday 16th October at 11am.
